

**Ireland's Trusted Temperature-Controlled Logistics Partner**

## Who We Are

Derry Group Ireland is one of Ireland's leading temperature-controlled logistics providers, delivering reliable, nationwide distribution of ambient, chilled and frozen goods.

Operating daily across the island of Ireland, we combine a modern fleet, strategically located depots, advanced technology and industry-leading compliance standards to deliver exceptional service to food producers, retailers, wholesalers and manufacturers.

We move **2,500–3,000 groupage pallets and full loads every day** to every destination in Ireland.

---

## Our Fleet

We operate a modern, high-capacity fleet designed to meet the demands of temperature-sensitive logistics:

- **100 articulated trucks**
- **170 dual-temperature refrigerated trailers**
- **18 curtain-sided trailers**

All vehicles are equipped with: - Satellite tracking for real-time location monitoring  
- Live temperature monitoring on all refrigerated trailers

This ensures full traceability, product integrity and peace of mind for our customers.

---

## Nationwide Network

Our strategically located depots provide full national coverage with rapid access to all major ports, airports and population centres.

### Dublin Facility – Swords

- Located beside Dublin Airport
- Just 15 minutes from Dublin Port
- Chilled cross-dock operation for fast throughput

### Carn Coldstore – Craigavon, Armagh

- 10,000 frozen pallet spaces

- 1,500 chilled pallet spaces
- 5,000 ambient pallet spaces
- 80,000 sq. ft. chilled cross-dock warehouse
- Plug-in parking bays
- On-site truck wash and fuel station

Additional depot located in **Cork** supporting full national distribution.

---

## Services

We provide a complete end-to-end temperature-controlled logistics solution:

- Ambient, chilled and frozen distribution
  - Nationwide groupage and full-load delivery
  - Cross-docking and consolidation
  - Cold storage (frozen, chilled and ambient)
  - Container collections and deliveries from Dublin Port
  - Time-critical retail and foodservice distribution
- 

## Quality & Compliance

We operate to the highest industry standards:

- **BRC AA accredited** for distribution and storage
- Full traceability and reporting
- Strict temperature control procedures
- Food safety and quality assurance systems

Your products are handled with the same care and attention as if they were our own.

---

## Sustainability Commitment

DRT is committed to building a more sustainable transport operation and reducing our environmental impact.

Our green investments include:

- **10 HVO-powered trucks** reducing emissions by up to 90%
- **1 fully electric truck**
- Solar panels fitted to trailer roofs to reduce fridge fuel usage
- **1,100 solar panels** installed at Carn Coldstore — generating enough power to supply approximately 110 homes per year

We continue to invest in cleaner, greener transport solutions for the future.

---

## Why Choose DRT?

- ✓ Nationwide daily distribution
  - ✓ Market-leading cold chain infrastructure
  - ✓ Proven food logistics expertise
  - ✓ Real-time tracking and temperature control
  - ✓ BRC AA accredited operations
  - ✓ Sustainability-driven business
  - ✓ Reliable, professional service
- 

## Partner With Confidence

When you choose DRT, you choose a logistics partner with the scale, experience and technology to deliver your products safely, efficiently and on time — every time.
